Lower Mainland, BC

Join a team of like-minded professionals dedicated to helping those suffering from mental illness and addiction. Striving to foster a stable environment through a community based model of care, you will help provide on-site medical, nursing and psychiatric care, addiction care, counseling and trauma support. You will personally connect to patients in a meaningful way, providing them with the tools and skills they need to reclaim their lives.

You possess a valid license from CPRNBC or CRNBC. As well, you have excellent working knowledge of the Mental Health Act along with effective communication skills. The ideal candidate has experience in mental health, from street nursing, community mental health, forensic, and mental health outreach to traditional in-patient psychiatric settings. Experienced nurses with other backgrounds are encouraged to apply as an in-depth orientation and training will be provided.

If you have the passion, skills and desire for this special population group, please apply today by contacting Carol Jeffs at cjeffs@phsa.ca or by phone at 604.875.7215 or online at phsa.ca.

As part of the provincial mental health services continuum, BC Mental Health & Addiction Services provides a diverse range of specialized, "one-of-a-kind" tertiary level mental health services to residents across all geographic areas in BC. These include Adult/Geriatric located at Riverview Hospital, Adult Forensic Psychiatric Services located at the Forensic Psychiatric Hospital plus six regional clinics, and Child and Youth Mental Health Services located at BC Children's Hospital. In addition to direct services, BC Mental Health & Addiction Services acts as a support and resource to service providers across the province, and contributes to research and education.

BC Mental Health & Addiction Services is an agency of the Provincial Health Services Authority (PHSA), which plans, manages and evaluates selected specialty and province-wide health care services across BC. The Provincial Health Services Authority (PHSA) embodies values that reflect a commitment to excellence. These include: *Patients first • Best value • Results matter • Improvements through knowledge • Open to possibilities.*

The PHSA is committed to employment equity and hires on the basis of merit. We encourage applications from all qualified individuals, including women, Aboriginal peoples, persons with disabilities and members of visible minorities.
