HIRING! CLINICAL COORDINATOR, MH&A INTENSIVE CASE MANAGEMENT TEAM

LOCATION: POWELL RIVER COMMUNITY, POWELL RIVER, B.C.

The Clinical Coordinator coordinates client care activities in an Intensive Case Management Team to deliver primary care, mental health and addiction services, including housing and crisis intervention to designated residents/clients/patients.

Our team includes nurses, social workers, mental health workers, psychiatrists and family practice physicians. Together we strive to create an environment that supports the journey of recovery through compassion, hope and respect.

About Powell River: On the Sunshine Coast of British Columbia, where endless green mountains meet sheltered Pacific Ocean waters, Powell River provides a stimulating blend of outdoor adventure and cultural amenities. Originally founded as a resource extraction centre - once home to the world's largest pulp and paper mill - Powell River now offers adventurers countless opportunities for kayaking, canoeing, rock climbing, golfing, boating, hiking, biking, fishing, and scuba diving.

On the doorstep of both Vancouver and Vancouver Island, the Powell River region offers an array of experiences for travelers of all kinds, no matter the season. Experience the legendary Sunshine Coast Trail and Powell Forest Canoe Route, rock-climb the Eldred Valley, snowshoe in the Knuckleheads; this is the adventure destination you've long been waiting for.

Qualifications:

- ✓ Current practicing registration with CRPNBC and/or CRNBC;
- ✓ Bachelor's Degree in Nursing or Health Sciences (Psychiatric Nursing), completion of post basic specialty nursing certificate/program if applicable;
- ✓ Three (3) years' recent, related experience with mental health and addictions;
- ✓ One (1) year's related administrative/supervisory experience; and
- ✓ Valid BC Driver's License and access to personal vehicle for local area travel may be required.
