

Registered Psychiatric Nurses

Are you looking to expand your nursing scope of practice while earning **up to \$160,000 a year**? If so, join our team of Registered Psychiatric Nurses in Nunavut in providing psychiatric/mental health nursing services.

Indigenous Health Group Inc. (IHG) is a well-established nursing services leader with an excellent track record as an employer and a provider of nursing services. We require nurses who can meet the challenge and responsibility in providing the best care possible.

We Offer:

- Competitive pay rates and per diem allowances
- Scheduling flexibility to enhance your ability to manage both your professional and personal life.
- 24/7 access to travel specialists and professional nursing support

Qualifications:

- Current practicing (or ability to obtain) registration with the one of the Canadian Registered Psychiatric Nurses regulatory bodies.
- Minimum of two years previous experience performing nursing services in mental health/psychiatry. Experience in northern nursing is an asset.
