
Delivering Quality Health Services

Join our team for an opportunity as a

COMMUNITY MENTAL HEALTH WORKER

Child & Adolescent Population

Roblin, Manitoba

Full time (1.0 EFT) - Permanent Position

Start date: January 31, 2021

The Community Mental Health Worker (CMHW) provides mental health service to residents of Prairie Mountain Health, and may be based in both community and facility settings. As a member of the assigned interdisciplinary team, the incumbent provides a broad range of mental health services to clients and their families, and acts as the primary counsellor and/or case manager for all newly referred clients as well as those with long-term service needs. In collaboration and partnership with other health care providers, clients' families and community stakeholders, the CMHW focuses on supporting individuals in their personal recovery where they live, learn, work and socialize.

- Competitive Salary with affordable living expenses
- Excellent Healthcare Benefits which includes health & dental, pension plan, life insurance, disability, employee assistance plan & health spending account
- Continuing education
- Relocation Assistance may be available
- Member of applicable bargaining unit
