

Eden Health Care Services (Eden) is seeking a Chief Executive Officer to provide long-term leadership in a time of expansion and change. Eden is a thriving and expanding mental health organization, with its corporate head office in Winkler, and operations in multiple communities including Winkler, Steinbach, and Winnipeg. Key services include a psychiatric hospital, community mental health, professional counselling, housing, and employment.

The successful candidate will have strategic leadership and management skills and experience, with advanced education in a mental health discipline. They will fully embrace the vision, mission, and values of Eden. They will understand government ministries, including policy, procedures, standards, accreditation and evaluation, with a demonstrated ability at consensus building in stakeholder and constituency relationships and partnerships.

Compensation and benefits are competitive and meet industry standards.

Qualified and interested candidates should email their cover letter, resume and accompanying credentials to:

Mr. Al Kehler, Executive Board Chairperson
c/o Jordan Fehr, Human Resources Manager
