St. Norbert Personal Care Home is a 91 bed, fully accredited facility that meets all Manitoba Health Standards.

This team orientated long term care home is seeking qualified R.P.N. candidates to fill a number of vacant positions within the Nursing department. Whether you are seeking full-time, part-time or casual employment we may be able to accommodate your request(s). Shift patterns are variable and to some degree negotiable.

Requirements are active licensure with the CRPNM, ability to satisfy the Criminal Record Check, Adult Registry Check and Child Abuse Registry Check processes.

Two active References (supervisory) must be provided.

A preference will be given to those with long term care experience.
