

PSYCHIATRIC NURSING EDUCATION AND PRACTICE OUR HISTORY – OUR FUTURE

**Call for Abstracts now open for
May 1-3, 2023 Virtual Conference**

- In June 1923, the first graduates of a psychiatric nursing programme in western Canada received their diplomas
- Since that time, thousands of psychiatric nurses have graduated in the four western provinces of Canada
- Over the past 100 years Psychiatric Nurses have developed and honed their skills based on research and new knowledge
- This conference will celebrate 100 years of the distinct profession of psychiatric nursing in Canada

Papers are invited that illustrate and celebrate unique, creative and diverse areas of practice in the past, present and future

**Virtual Conference will
feature pre-recorded presentations no longer
than 30 minutes each.
Stay tuned for more information**

Please submit a one page 250 word abstract and a one page CV to RPsychN100@gmail.com by December 1, 2022. All who have submitted abstracts will be notified by Jan 15

CELEBRATING 100 YEARS OF PSYCHIATRIC NURSING EDUCATION IN CANADA
