UPCOMING WEBINAR

Live: Tuesday, April 23, 2024

Shame as a Barrier to Addiction Treatment Objectives

At the end of this case based session, participants will be able to:

1. To explain the interplay between shame and addiction recovery.
2. To determine differences in levels of shame for various addictive behaviours.
3. To explore the past and present status of the Recovery Pride movement.
4. To understand how social connection can decrease shame in addiction treatment.
5. To learn shame resiliency coping strategies.

Includes:

- 2 hours of Continuing Education
- The "live" webinar if registering in advance
- On-Demand Access for at Least a Year
- Certificate of Completion
- Q&A Session
- PDF handouts to view or print
