BACKGROUND CHECKS FOR REGISTRATION

All applicants for initial registration, or reinstatement of registration, are required to provide a criminal record check that includes a vulnerable sector search, a child abuse registry check, and an adult abuse registry check (collectively the "Background Checks") as part of the application process.

Registered Psychiatric Nurses are required to submit the Background Checks every five years to renew a certificate of practice. After the initial submission, the Background Checks are to be submitted every fifth year.

If you are applying for initial registration or reinstatement, you must submit the Background Checks that includes a satisfactory:

- **nationwide criminal record check (including a vulnerable sector search)**
- **adult abuse registry check**
- **child abuse registry check on application.**

Criminal Record Checks

Important Information

1. Canadian residents must submit a Canadian Police Information Center (CPIC) check. Criminal record checks from other organizations such as "Back Check" or from Commissionaires will not be accepted.
2. Criminal record checks must include a police vulnerable sector search.
3. When submitting documents to the College, please ensure all current, former, maiden, alias and other names used are shown on the criminal record check. *If you do not do this, you will need to have the search redone.*
4. If you currently live or have lived outside of Canada within the last six months, you must provide a criminal record check based on a nationwide search from the appropriate law enforcement agency in that country. This process may include providing fingerprints. The police agency in that jurisdiction can provide you with more information on the process and any fees.
5. Criminal Record Checks are considered valid for one year from the date they are issued.

Initial registration or Reinstatement

If you are applying as a new applicant to the College or as a reinstatement applicant, the criminal record checks submitted for these applications must be dated within six months at the time of application.

Renewal of Certificate of Practice (Registration Renewal)

Under the *College of Registered Psychiatric Nurses of Manitoba General Regulation* (the "General Regulation"), all RPNs will be required to submit a criminal record check every fifth (5th) year to renew a certificate of practice.

RPNs who need to submit a criminal record check to renew their certificate of practice will be sent an email in advance of the renewal period notifying them of the requirement. Do not submit the criminal record checks for renewal unless you have been instructed to do so.

Criminal record checks submitted to renew a certificate of practice must be dated in the calendar year prior to the renewal year for which the check is required.
